## Senate Defeats Move To Cut U.S. Spending

### Won't Force President To Lower Budget

Washington, Aug. 29.—(AP)—A Senate move to force President Truman to slash spending to a level 5 to 10 percent below his advance estimates was defeated in the Senate today by the narrow margin of three votes.

The vote was 48 for the cut order and only 28 against. But a two-thirds majority was required for passage.

The plan, offered as an amendment to a big defense appropriations bill, would have required the president to hold spending for the current fiscal year some \$2,000,000,000 to \$4,000,000,000 below the estimates he made last January.

**Turn Back Appropriations**  
To carry out the directive, he probably would have had to turn back some appropriations voted by Congress.

Foes of the proposed cut order said it amounted to passing the economy back to the president. Supporters of the directive said the president was in the best position to determine where to cut.

After the decision on this issue, the Senate passed by voice vote a \$14,800,000,000 appropriations bill to pay for national defense—the costs of the army, navy and air force. This was some \$500,000,000 less than President Truman asked.

It also was about \$1,100,000,000 under the \$15,900,000,000 figure voted by the House. A compromise Senate-House committee will try to reach an agreement.

## 6 Aged GAR Vets Find Crowds Are Too Much

Indianapolis, Aug. 29.—(AP)—Crowds moved in on the Grand Army of the Republic today, and six old veterans found they couldn't take it very well. Thousands thronged Monument Circle in downtown Indianapolis and it was too much for the two centenarians who managed to get to the ceremony from their encampment hotel.

Commander-in-Chief Theodore A. Penland, 100—perhaps the spriest of the six—stayed long enough to receive a souvenir album of a special commemorative stamp.

He thanked Robert E. Fellers, deputy third assistant postmaster general, then he doggedly told the crowd:

"Now we're going to have a last convention right here."

But the hot August sun and the close-pressing crowd overwhelmed him. Just as the U. S. marine band started playing "taps" the silent spectators watched as a guardman led him to a car at the curb.

Robert Barrett, 102-year-old, Princeton, Ky., ex-cavalryman, declined it was a good idea and left in his wheelchair.

Others attending the stamp presentation ceremony included Frank J. Schneider, Madison, Wis., new commander of the Military Order of the Purple Heart.

At 108, James A. Hard, Rochester, N. Y., is the oldest of the 16 surviving GAR members. He decided to take it easy at the 83rd and final encampment.

Hardest of the lot is genial old Charles L. Chappel, 102, Long Beach, Calif. He refuses to take meals in his room and sits for hours in his hotel lobby, talking with all comers about all sorts of things. About politics: "Both parties are as rotten as rotten can be."

Most of them grumble a little about the attentiveness of auxiliary women. Albert Woolson of Duluth, Minn., the 102-year-old chief of staff, beat one solicited woman to the draw by asking her how she felt.

Robert Barrett, 102-year-old, Princeton, Ky., ex-cavalryman, declined it was a good idea and left in his wheelchair.

## Vaughan Will Be Put On Stand In 5% Probe

Washington, Aug. 29.—(AP)—Bluff back-slapping Maj. Gen. Harry Vaughan, President Truman's army aide and his friend for 31 years, will be called tomorrow to answer whether he has taken unfair advantage of that friendship.

The questions will be put to Vaughan by the senate investigations subcommittee. There probably will be a lot of them, for Vaughan's name has turned up every day during the five percent hearing.

The subjects of the questions are expected to range from molasses to perfume to a race track, and to center on Vaughan's relations with James V. Hunt, John Maragon and David Bennett.

Hunt is a management consultant who has said he knows many a Washington official, including Vaughan.

Maragon has been a go-between, the committee has been told, frequently has left the impression he was speaking for Vaughan.

The committee had hoped to get some of the answers from Maragon. But when he made his appearance Friday, he wasn't his usual glib self at all. He refuses to answer almost all the committee's questions, on the grounds that he might incriminate himself.

Bennett is President of the Verley Perfume company of Chicago. An old friend of Vaughan's, he has received several favors from him. Bennett paid for seven deep freezers that went to Washington notables.

Vaughan hasn't said what kind of a statement he will give the committee. But he is expected to lead off with a counter-attack.

It is understood that Vaughan feels he is a handy target for snipers who really are aiming at the President.

Senator McCarthy (R-Wis.) apparently had this in mind when he said last week that the public should pay no heed to "personal attacks on the committee."

He said that if any such attacks were made, they would be in an effort to divert the attention of the public from what McCarthy says are the main objectives of the hearing.

To shed "the bright light on any graft or corruption."

To make it possible for small business men to deal with the government without having to pay for five percenters—men who offer to get government contracts for business men in return for a fee.

Chicago, Aug. 29.—(AP)—Striking AFL truck drivers and company officials scheduled another meeting with federal conciliators for tonight in the 19-day-old gasoline strike.

James J. Spillane, regional director of the government's mediation service, presided at a brief meeting earlier today. It was adjourned at noon so union negotiators could attend the funeral of Louis C. Pelek, father of an official of Teamsters Local 70.

In Washington, Sen. Lucas (D-Ill.) said today he was informed that Spillane was hopeful of agreement in the strike soon.

The union demand of 17 1/2 cents an hour more pay has been scaled down to 12 1/2 cents in bargaining sessions. Employers were to report on possible changes in their 5 cent increase offer today. Both are based on the present base pay of \$1.77 1/2 hourly for a 40-hour week, with Saturday and Sunday pay at overtime rates.

With Greek troops on the Grammos front, Aug. 29.—(AP)—The Greek army tonight claimed its greatest triumph in the three year civil war.

The five-day battle for the Grammos mountain bastion of the guerrillas virtually ended this morning except for mopping up. The entire southern part of the Communist stronghold has been cut into pieces by swiftly striking regular army units and commandos.

The Communist guerrillas are now trying to escape into Albania through a narrow strip of frontier believed to be less than five miles wide.

At the start of the Greek army's blitz five days ago 5,000 guerrillas were believed in the area.

A general staff communiqué said many were being killed as they sought to flee. It listed 296 killed and 264 captured yesterday, and listed the army's own losses as 18 dead and 120 wounded.

Washington, Aug. 29.—(AP)—A minimum wage bill "stripped to bone" was brought up in the senate today.

Its main provision would raise minimum wages from the present 40 to 75 cents an hour.

Senator Pepper (D-Fla.) said the measure would amend the present act in these respects:

1. It would tighten child labor provisions to prevent the employment of children under 16 in hazardous mining or manufacturing occupations. A loophole in the existing act permits such employment, Pepper explained.

2. It would authorize the wage-hour administrator to act in behalf of employees in bringing suits to recover wages due for overtime or underpayment.

3. Exempt small contract-offices of the Western Union Telegraph Co. from wage-hour provisions.

One official said the treasury's Bureau of Internal Revenue has not yet formally ruled on the tax question, "for the simple reason that no one has asked for a ruling."

But the bureau's top expert was quoted as saying the GI rebate is definitely not subject to a tax.

Washington, Aug. 29.—(AP)—Industrial production decreased again during July, but business trends are brighter this month, the Federal Reserve Board reported today.

The decline was the ninth consecutive one recorded by the agency's monthly barometer of general business and financial conditions.

Federal Reserve's monthly reading of the country's economic pulse showed July production as 162 percent of the 1935-39 average level. This compared with output of 169 percent in June and 195 percent when the slide began last November.

The board's survey attributed the July production cutbacks in part to plant-wide vacations in many industries producing non-durable commodities.

## Truman Pledges U.S. Aid In British Crisis

### Navy Wants To Know Who Discredited B-36

Washington, Aug. 29.—(AP)—The navy today opened its own investigation into the source of now discredited charges that fraud and political skulduggery were involved in the multi-million dollar B-36 bomber expansion program.

The purpose of the naval inquiry, as set forth by navy secretary Matthews, is to find out whether an \$8,500-a-year civilian employee of the navy acted alone or whether others helped instigate the exploded charges.

A three-man naval court, meeting behind closed doors, launched the probe as an aftermath of disclosures by the house armed services committee.

The court promptly decided that Cedric Worth, author of a once anonymous memo which touched off the congressional B-36 investigation, is an "interested party" and should be notified that he will be "welcomed" to attend the court's sessions.

The designation as an "interested party" means that Worth, who was suspended last week from his post as a special assistant to undersecretary of the navy Dan Kimball, will be permitted to ask questions and cross-examine witnesses.

The court also decided that future sessions will be open to the press and public, unless secret material is introduced as evidence.

After its third session, the court recessed subject to the call of its president, Admiral Thomas C. Kidd, commander of the eastern sea frontier. The next session is not expected before Tuesday, Sept. 6.

In its initial session, the naval court received into evidence an authenticated copy of the Worth memo. It was introduced by Quay Findley, assistant counsel for the house armed services committee.

London, Aug. 29.—(AP)—Britain's labor cabinet today approved a 15,000-word plan to throw on the table at the Washington dollar conference.

An informed source said it stands strongly for keeping up British social services, such as free medical service, and makes no mention of possible devaluation of the pound, now pegged at \$4.04 to the dollar.

Cripps Bringing It  
Sir Stafford Cripps, chancellor of the Exchequer, and Ernest Bevin, foreign secretary, will take the plan with them when they sail for New York on the Mauretania Wednesday.

They start a conference Sept. 7 with United States and Canadian officials on the world shortage of dollars, especially Britain's shortage.

It has been authoritatively reported that Britain's pool of gold and dollars, a reserve she needs to back the pound in international trading for her food and raw materials, will be down to \$1,200,000,000 by Sept. 30. That is \$800,000,000 under what was set by officials a few months ago as the danger line.

Truman Speech Helpful  
The British foreign office said in a statement tonight President Truman's pledge of American "friendliness and helpfulness" toward the British in his Philadelphia speech was "most helpful and encouraging for the success" of the Washington talks.

The point of view expressed by the President is fully appreciated and shared in London, said the statement.

Some United States opinion has favored lowering the official dollar value of the pound. With devaluation, a U. S. buyer would need fewer dollars to buy British goods. Devaluation thus would enable such goods to sell more readily in America.

John W. Snyder, U. S. secretary of the treasury, said last week this subject probably would come up in the three-power talks.

Gov. Dewey Calls For Full Report On Robeson Riot

New York, Aug. 29.—(AP)—Gov. Dewey called today for a full report on the Paul Robeson concert riot.

The governor's request went to Westchester county officials after backers of Robeson, negro singer and left-wing publicist, charged that police failed to prevent the Peekskill (N.Y.) area disorder Saturday night.

The Civil Rights Congress, meanwhile, said a delegation may be named at a rally tomorrow night to take a further protest to President Truman.

The congress, listed by the justice department as subversive, was a sponsor of Robeson's scheduled concert.

The concert was cancelled after fighting broke out between some of the 5,000 concert-goers and pickets from veterans organizations protesting the singer's appearance.

Dayton, Ohio, Aug. 29.—(AP)—Union and company officials issued somewhat conflicting statements tonight on the progress of negotiations to settle the B. F. Goodrich Co. strike.

Negotiators met at 9:30 a. m. and recessed at 3 p. m. after the session, J. W. Keener, Goodrich vice-president, told a newsmen:

"I think they (the negotiators) made some progress in clarifying some of the issues involved."

N. R. Lloyd, Industrial President of the CIO United Rubber Workers, however, the company and the union were still "quite a ways apart."

Some 17,000 Goodrich employees have been on strike since midnight last Friday at plants in Akron, Ohio; Tuscaloosa, Ala.; Cadillac, Mich.; Clarksville, Tenn.; Los Angeles, Oakes, Pa. and Miami, Okla. The company-union contract expired Friday.

Included in the demands of the union are a 24-cent hourly pay boost and monthly, company-paid pensions of \$100. Under the old contract Goodrich production workers averaged \$1.51 an hour.

Negotiations were recessed until 9:30 a. m. tomorrow.

### Tells Legion That West Must Unite

Philadelphia, Aug. 29.—(AP)—President Truman pledged Great Britain today that the United States will help in her hour of financial crisis.

The president spoke to a crowd of 15,000 at the American Legion's 31st national convention after a roaring, confetti-spattered welcome by 100,000 Philadelphians and visitors.

He said the U. S. will examine Britain's plight in a "spirit of friendliness and helpfulness."

British and Canadian representatives are coming to Washington next week to seek U. S. aid in solving the British dollar shortage.

The President laid down this four-point program he said "must be carefully kept in mind" in these talks:

1—"That a sound and expanding economy is essential to world peace."

2—"That we are trying to expand the exchange of goods and services among nations. We are not looking for trick solutions to deep-seated problems."

3—"That we can not succeed unless we keep everlastingly at it."

4—"That the Democratic nations are not proposing to interfere with one another's internal policies."

Mr. Truman received the American Legion's highest honor, the distinguished service medal.

Secretary of Defense Louis Johnson presented the medal to Mr. Truman, stating that the President is "the first legionnaire with active military service" to become President and also win the medal.

The late Franklin D. Roosevelt was awarded the Legion medal posthumously.

Mr. Truman served with Battery D, 129th Field Artillery in World War I.

Trade Out Of Balance  
The President told Legionnaires that "world trade is now seriously out of balance."

He called attention to the "terrible after-effects of war" and "the attempt of organized Communists to achieve economic and political domination of the world through the misuse of the desires and aspirations of mankind."

To meet this crisis, Mr. Truman said, the U. S. has adopted short-range programs. He called the European recovery program our short-range answer. The long-range program is four-fold:

1—"Encouraging American business to make productive investments abroad in increasing volume."

2—"Planning to help the people in under-developed areas to learn modern industrial and agricultural methods."

3—"Continue our well-established policy of negotiating reciprocal trade agreements in order to reduce barriers to international trade."

4—"Encouraging closer regional ties among nations in order to lower trade barriers and increase production."

Three Killed As Auto And Bus Hit Head-On In Indiana

Chesterton, Ind., Aug. 29.—(AP)—A westbound Greyhound bus collided head-on with an automobile near here today, killing three persons in the car and seriously injuring at least one bus passenger.

Twenty-seven of the 32 bus passengers were shaken and bruised.

State police at the Dunes Park post here reported the accident occurred on U. S. highway 20 about one mile east of Chesterton and 10 miles west of Michigan City.

Two of the dead were identified as Archie Ruberg McIntyre, 67, of 3526 Langley Drive South Bend, and his wife, Lillian Mae McIntyre, 63.

The third victim was an unidentified man about 70 years old. Elmer Johnson, deputy Porter County coroner, said the man who was not identified had no papers in his clothing.

All three bodies were taken to the Flynn Mortuary here.

Miss Esolene Monnier, 48-year-old nurse from 314 E. 12th Street, New York City, was taken to Clinic hospital at Michigan City suffering head injuries. She was the only bus passenger hospitalized.

The Norbury Sanatorium, cooperative observatory for the U. S. Weather Bureau, yesterday reported the temperatures for Monday as follows: High, 85; low, 53; and at 6 p. m., 78.

Forecast for Illinois: Partly cloudy with widely scattered thundershowers in late afternoon or evening. High 82 to 85.

## Say Soviets Out To Destroy Tito

Yugoslavia, Aug. 29.—(AP)—Supreme Court Justice Wiley B. Rutledge, suffering from a circulatory condition, showed improvement at Yorkville hospital today.

The report came from a hospital spokesman.

The 55-year-old jurist's family declined to permit any further statement about his condition.

Justice Rutledge, vacationing at nearby Ogunquit with his wife, was admitted to the 22-bed hospital Saturday.

**Say Illinois Auto Driving Training In Schools Best**

Springfield, Ill., Aug. 29.—(AP)—Insurance men say the automobile driving education given in Illinois public high schools ranks with the best in the nation.

In a telegram to Governor Stevenson's office, the association of casualty and surety companies announced today that Illinois won the association's "superior" award for high school level driving instruction programs.

Some 250 high schools in the state are using dual-control automobiles in driving instruction. Another 500 have classroom driver safety courses.

## BALANCED DEFENSE IS STILL THE ISSUE

The side shows being developed at the B-36 inquiry can easily throw the House Armed Services committee off the trail. The Worth expose is regrettable, but it should not get the committee sidetracked from its major purpose of examining the whole defense program with special reference to the proper role of the B-36 intercontinental bomber.

The great danger is that this country may place too much reliance in a single weapon, just as France relied too heavily on the Maginot Line and the British on the defenses of Singapore.

Any plan of future wars yet brought out in various inquiries in Washington imply the use of ground and naval forces in large numbers. These forces must not be overlooked. They are in danger of being neglected if we continue with the program of spending two-thirds of our 16 billion dollar military budget on the B-36 bomber.

That is the issue which no side show should be permitted to cover up.

**QUONSET HUT HITS THE ROAD**—The owners of this 100-foot-long quonset hut, used as an auto body shop, needed it moved across the Cooper River at Camden, N. J. So they jacked it up on rollers and took it down the highway and ferried it across the stream. A dozen men completed the 300-yard road trip in less than an hour.

## Lime Truck Driven By Local Man Turns Over

Lawrence DeHart, 924 West Lafayette avenue, was trapped in the scene, wreckage of a lime truck when it flipped over Monday morning after colliding with a car. DeHart was pulled from the crushed cab by several motorists who stopped when they saw the overturned truck at the side of the highway.

The truck jumped a bank, hit a telephone pole, and then smashed into a tree. DeHart sustained scratches and bruises. He was taken to a physician at Winchester, and later was expected to undergo examination in Jacksonville.

State Patrolman Staley Keller of this city rendered assistance and handled traffic at the scene of the accident.

A wrecker from the Stubblefield garage pulled the lime truck to the Brohan & Son garage at Arnold.

## Two Local Girls To Enter Stephens College This Fall

Columbia, Mo., Sunday, Sept. 11, is the date when the students from Jacksonville who have been accepted for admission at Stephens college will arrive on campus at Columbia, Mo.

During the Sept. 12-15 registration period, the all-college welcoming assembly, held Monday, Sept. 12, in the new 3000-seat assembly hall, will mark the formal opening of the 117th year in the history of Stephens college. The calendar of events at Stephens during the coming months will include a national conference on educational research in which many colleges will participate.

The enrollment of approximately 2200 at Stephens this year includes students from each of the 48 states and from 20 foreign countries, territories and possessions.

Students from Jacksonville who will enter Stephens College this year are Miss Donna Jean Henley, daughter of Mr. and Mrs. Claude A. Henley, 620 West College avenue; and Miss Elvera L. Pessina, daughter of Mr. and Mrs. Louis A. Pessina, 1900 Mound Road.

## Legionnaires At Jerseyville Plan 3 Day Celebration

Jerseyville—Worthy Post American Legion is planning a three-day homecoming celebration over the Labor Day week end at the Legion park north of Jerseyville. An extensive program of entertainment has been outlined for the event which begins Sept. 3 and continues over the 4th and 5th.

A carnival will be on the midway all three days and there will be roller skating, dancing, races and contests. Local dealers will have displays of farm machinery and automobiles on the grounds.

Features of Sunday's program for the children include a pie eating contest, watermelon eating match, greased pig event, greased pole contest and other events. The program begins at one o'clock and is for children under 16. A horseshoe pitching contest is also being arranged and preliminaries will begin at 10:30 a.m. Sunday.

Motorcycle races are being arranged for Labor Day, the time trials starting at one o'clock and the regular races at 2:00 p.m.

Demonstration of the "world's smallest sawmill" will be given Sunday and Monday afternoons by Wes Hinson of Otterville, retired veteran thresherman, who built the model.

## Prowlers Enter Public Library

Prowlers broke into the Jacksonville public library Sunday night, but so far as could be ascertained Monday, nothing was stolen.

A basement window on the south side of the building was broken to gain entrance. Lowered window shades in the library office indicated that the prowlers had been in that room, where the safe is located. Apparently the prowlers looked the building over without seeing anything they wanted.

Li. Stout and Patrolman Spencer visited the library Monday morning after the broken window was discovered, and made an inspection of the premises.

## Bumble Bees Send Man to Hospital

Jerseyville — Rex Galbreth was taken to St. Joseph's hospital in Alton by Jacoby Brothers ambulance in a serious condition as the result of stings from bumble bees.

Galbreth is employed by the Farm Fiesta of this city, and he suffered the bee stings while employed in a timber Friday afternoon. In company with other workmen of the Farm Fiesta, Galbreth was cutting hickory timber to be used in the smoking of meat.

He got into an old fashioned bumble bee nest in the timber and the bees attacked him in large numbers and inflicted many stings upon his person.

Galbreth became violently ill following his escape from the wrath of the bumble bees, and his condition necessitated his final removal to the hospital for special treatment.

Oldest attempt at keeping weather reports is said to have been made in 1644 by a minister in what is now Wilmington, Del.

## Beer Truck Hits Macoupin Bridge

Jerseyville—A large trailer truck outfit was wrecked at the Macoupin creek bridge eight miles north of here on U. S. highway 67 about 5:30 p.m. Wednesday. The tractor apparently hit one of the bad places in the highway at the approach and collided with the bridge and the outfit turned over, blocking the highway until about 8 o'clock.

Buses due in Jerseyville from the north were two hours late in arriving here. Following the accident at the bridge a call for an ambulance was put in here, and Jacoby Brothers ambulance made the run to the site of the wreck. The driver of the truck, however, had escaped with minor cuts and bruises. The truck was loaded with cases of beer at the time of the accident. The outfit is operated by James Pearson of Pittsfield.

## James Churchhill Claimed By Death

James Churchhill of Pittsfield, who had numerous relatives and friends in Jacksonville, died Sunday afternoon at 1:30 o'clock at Blessing hospital in Quincy.

Mr. Churchhill was a retired engineer for the Wills & Sons Dredging Corp. He made his home with his daughter, Mrs. Roy F. Finson, at Pittsfield.

He has two sons, James of Middleton, N.Y., and Roy of Kinderhook, one brother, Jake Churchhill of Hannibal, Mo.

The remains are at the Eddy Funeral Home in Pittsfield, where services will be held Tuesday at 2 p.m. in charge of Rev. Claude E. Commins, pastor of the Christian church.

## Boyle's Column

BY ED CREEGH (FOR HAL BOYLE)  
New York—(AP)—When James Keller says he's to change the world, a lot of people listen.

For one thing, he's a big quietly persuasive Catholic priest, with a no-nonsense air about him. He resembles his friend Spencer Tracy.

For another thing, he's a best-selling author, who has handed more than 100,000 Catholics, Protestants and Jews into a movement called the Christophers.

Their aim, in their own words: To change the world.

"The U. S.," Father Keller says, "is being undermined by a fanatical group of men and women who hate God and sneer at the Declaration of Independence, with its stress on our God-given rights."

"We want to stop this. And we hope to do it by putting men and women of good will into jobs where they can be a force for good and order."

"There has been too much shouting against 'subversives.' Time Here For Action"

"The time is here for action—for offering something better than the subversives can offer."

The Christophers are in the news on several fronts: A novel which won the \$15,000 first prize in their literary contest has just been published. Its title is "Call It Treason." The author, George Howe, is a Protestant.

The Christophers are trying to establish training schools in all parts of the country, to guide "men and women of good will" into key jobs where they can make their influence felt.

And Father Keller himself is reading final proofs on a new book, "Three Minutes A Day," to be published by Doubleday in October. His last book, "You Can Change The World," sold 200,000 copies.

I want to see Father Keller because I had been hearing a good deal about misunderstanding and

## No Time For Bickering While Changing The World

"We concentrate on a few fields—teaching, government work, labor-management, and the spreading of ideas by radio, movies, publishing and so on."

"Why? Because that's where subversives are most active. By 'subversives' we don't mean Communists alone. We mean those who are against what normal, decent Americans are for. Such things as divine truth and human integrity."

Need Over 1,000,000 "Probably not more than one American in 100 is working against these things. But that adds up to more than 1,000,000 persons. It means that we'll need more than 1,000,000 Christophers."

I asked a couple of questions that a Protestant friend of mine had suggested: Is there opposition to the Christophers because their founder is a priest? Any suspicion that its aims are sectarian?

Father Keller smiled. "Why don't you look over some of our correspondence," he said.

So I did. There were letters of support from Catholics; from Methodist ministerial students in Georgetown, Texas; from an Episcopal rector in Beverly Hills, Calif.; from a Jewish television executive in Chicago.

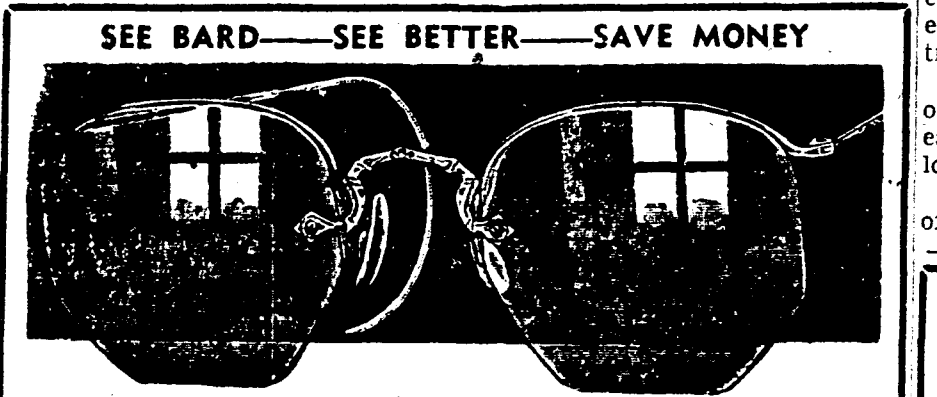

I read the letters and others like them.

"Father," I asked, "are you going to get a million Christophers? Are they really going to change the world?"

"With God's help," said Father Keller promptly, "yes."

RED STEER plant food encourages deep growing, wide foraging roots that mean better straw, and bigger, longer heads filled with heavy grain.  
You can depend on RED STEER to flow evenly and uniformly through your drill... it is carefully tested and thoroughly cured.  
Order 300 to 400 pounds per acre NOW so that you will be sure to have your requirements on hand when you are ready to plant. RED STEER is great for catch-crops, too!

**Your Comments help guide our railroad**

... MAY WE HAVE MORE OF THEM?

The words that Samuel Clemens (Mark Twain) wrote in 1870 could well be applied to our business. Today more than ever before we solicit the suggestions of our customers, for we are aware that many mutual problems will arise or have arisen as the result of the five-day business week to be instituted September 1 by the Nation's railroads under procedures prescribed by the Railway Labor Act.

While the public has always been generous in its commendation of our railroad, we know that we are far from perfect. Somebody has told us that everybody makes mistakes and certainly a railroad is no exception.

A mistake that goes unreported may also go uncorrected — and it could even re-occur. This is why our invitation for suggestions and criticisms is just as earnest as our appreciation for any compliments.

Won't you give us the benefit of your opinions... and help us to improve? For that we are always striving.

**PASSAVANT GRADUATES**

Four young women were graduated from the Passavant Memorial Hospital School of Nursing at the 1949 commencement exercises held Sunday evening in Northminster Presbyterian church.

The class of four included Miss Velma Albhorn of Meredosia, president, and Mrs. Ruby Bacon of Beardstown, upper row, and Corinne Garratt of Carrollton and Miss Gloria Beard of Arenzville.

The commencement speaker was Rev. Arthur F. Ewert of Westminster Presbyterian church. Speaking on "The Pursuit of Happiness," Dr. Ewert said in part: "Our founding fathers, in the Declaration of Independence, included 'the pursuit of happiness' with life and liberty, as an inherent and 'unalienable' right of all men. However, no one has ever found happiness by pursuing it. True to life is the statement that 'happiness is in no place confined, but still doth dwell with him of a contented mind.' The flower of happiness grows in the soil of contentment, not self-satisfaction—but in quietness and peace of mind.

In thought of others, and in sharing, happiness surely comes. The old song in "Topsy and Eva" I want to be happy, but I won't be happy until I make you happy too" is true to life. By bearing the burden of another, one's own burden is lifted and lightened, and happiness comes."

Mrs. George Ferreira was organist, with Mrs. Vera Sue Schneider as soloist.

The class was presented by Dr. George L. Drennan, dean of the school of nursing, M. R. Range, president of the board, awarded the diplomas, while Mrs. Lena Dixon Dietz, director of nurses, made the presentation of the pins.

Following the ceremony, a reception was given in the church parlors.

**Ask Restoration Of Burlington Trains**

A delegation of Railroad Brotherhood members visited Jacksonville on March 21, 1948, suspended the operation of its passenger trains 51 and 52, and the service was not restored after the removal of controls by the federal agency on April 13, 1948.

Later the railroad filed an application to discontinue these trains, but on May 25, 1948, the commerce commission ordered them back. The railroad obtained an injunction to prevent the order from becoming effective.

A hearing has been scheduled before the Illinois Commerce Commission at Springfield on Sept. 7, at which time restoration of the trains will be urged by the Railroad Brotherhoods and delegations representing various communities along the line.

C. R. Craven, Paul G. Howe and R. B. Adams of Beardstown, representing the Railroad Brotherhoods, called on Chamber of Commerce officials Monday to enlist assistance in their fight for restoration of the trains.

They pointed out that the Burlington trains are needed for prompt dispatch of mail and express in west Central Illinois counties.

On March 18, 1948, the office of Defense Transportation issued a general order directing railroads to reduce their coal burning locomotive mileage by 25 per cent on account of the nationwide coal strike.

MAJOR GRAINS HOLD FIRM BUT SOYBEANS ON ZIG-ZAG COURSE

Chicago, Aug. 29.—(P)—Major grains held to an even course today while soybeans went through a series of up-and-down gyrations. A reported advance in the govern-

ment buying price for cash wheat and expectations of sales of flour to the Production and Marketing Administration provided support for the bread cereal. In active dealings, soybeans moved over a 6 cent range. They opened steady, advanced a couple of cents, sank below the previous close and then staged another rally toward the close.

Receipts were: wheat 17 cars, corn 173, oats 43, rye 4, barley 26, soybeans 10. Wheat closed 1-11 higher, September \$2.01, corn was 1-11 higher, September \$1.25-1/2, oats were unchanged to 1 higher, September 67-67 1/2, rye was 1 to 1 cent lower, September \$1.41, soybeans were unchanged to 1 cent higher, November \$2.33-2 3/4, and lard was 32 cents lower to 5 cents a hundred pounds higher, September \$11.95.

Buckley Victorious Over Doyle In Match To Defend Golf Title

Jim Buckley retained his title as Country club golf champion by defeating Joe Doyle 2 up 1 in a 36-hole match played Sunday on the Jacksonville Country club greens. Buckley, who is one of the most skillful amateur golfers in this area and noted for his precision shots, won the title last year by defeating Floyd Rodgers. This year's victory marks the sixth year that Buckley has held the title.

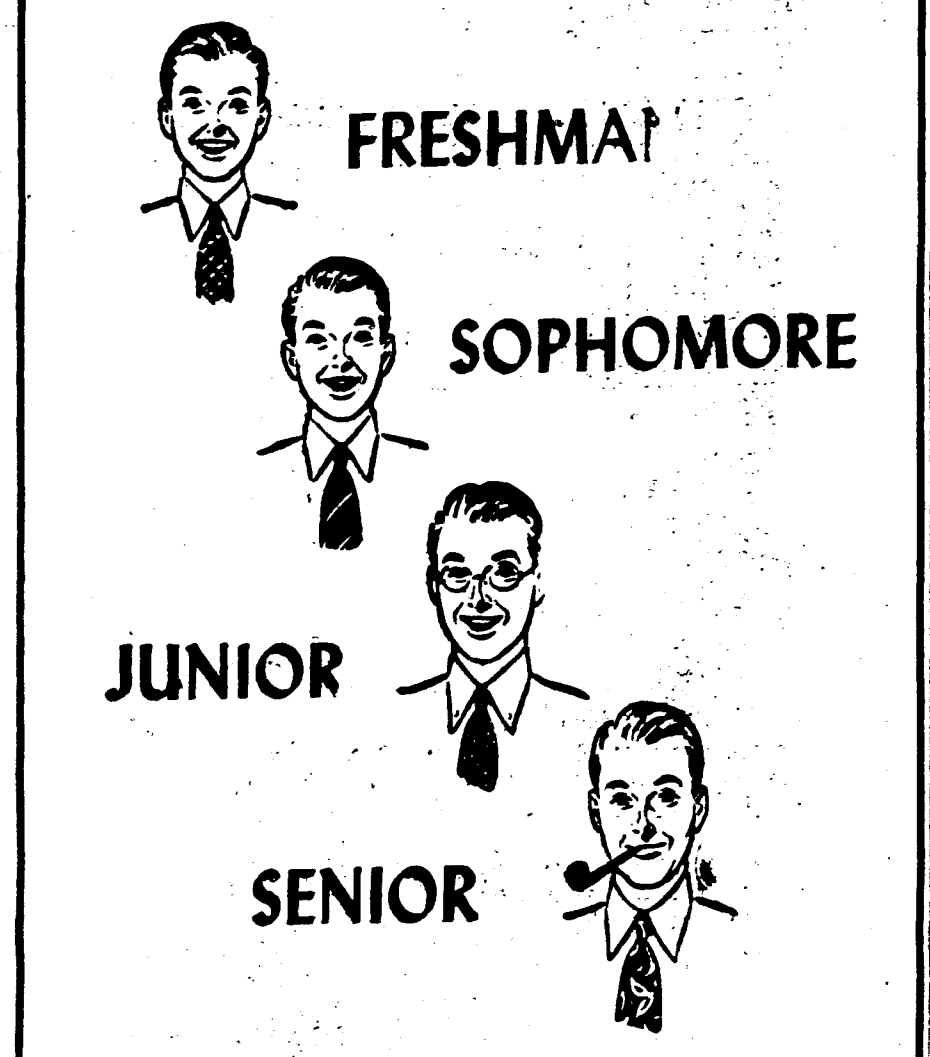

City champion as well, Buckley will meet the Nichols park champion golfer, Homer Mitchell, in an event scheduled for the early part of September. Eighteen holes will be played at the park and 18 at the club to determine the city title holder. Finish Even on 1st 9. In the match at the club Sunday, Buckley and Doyle both fired in even par 35's on the first nine holes to finish even. Buckley gained three holes in the 2nd nine to finish three up at the end of the first 18. In the afternoon play, Buckley won the first hole and Doyle won the third with a birdie 3, to remain three up at the end of the third round. Doyle rallied during the last nine, winning two holes, leaving one down and two to go. On the 35th hole, Buckley cinched the match with a par 4 when Doyle's second shot ended up in a sand trap, giving him a bogie five. The players were well-matched and were both in splendid form, providing the spectators with an exciting event to witness. One of the most spectacular plays was Doyle's birdie three on number five in the morning match. Also on the praise-worthy side was Buckley's birdie deuce on the fourth hole in the same match. The scores were: In the morning match, Buckley, 35, 37-72, Doyle, 35, 40-75; afternoon match, Buckley, 36, 37-73, Doyle, 36, 36-72.

Several thousand persons attended an all day picnic held Sunday at the Rees picnic grounds 10 miles southeast of this city, sponsored by the Morgan County Democratic Central committee. The event assumed the pattern of an old-fashioned picnic, with plenty to eat, a musical program and several concessions including rides, which were supplied by a carnival which has been at Rees for the past week. Burgoon, fish and hamburgers were on the menu, with each stand well patronized. Byron Stewart was chairman of the program committee. Demont Surratt of this city acted as master-of-ceremonies during the program of entertainment. The entertainers included Meritt Caldwell, magician; Newton Wilson and family of Waverly, music; piano music by Mary Etta Goffinet and Millie Kent. C. P. Hedrick of Meredosia served as general chairman of the picnic committee. Harry Doolin is chairman of the Morgan County Democratic Central committee, and Mrs. Mae Collins is chairman of the women's committee. Committee chairman for the picnic included Harry G. Story, Fred A. Cain, Sherman Smith, R. V. Blimling, Allen Coumbes, Delbert Auldenkamp, Victor H. Sheppard, David Carroll, Loren Rogers, Harry Doolin, Byron Stewart, Darrell Wilson, Milton Seymour, Mrs. Mae Collins and Pat Sheehan. A number of visitors from Springfield attended the picnic, as well as from other surrounding cities.

## Can Yanks Limp Home Without Tom Henrich?

Kansas City, Aug. 29.—(P)—Baseball's big question today is: Can the New York Yankees stagger home with the American League pennant even with Tommy Henrich out of action?

The versatile outfielder—first baseman removed from the rest of the season by banging into the right field wall at Chicago yesterday trying to catch Charley Kress' double.

Henrich hit .294, has 22 homers and 76 runs batted in, and has delivered in the clutch to win many an important game for the Yankees this season.

Solemn conferences were held here today between manager Casey Stengel and Yankees executives to see what can be done to save the situation. The Yankees are here for an exhibition game with their Kansas City farm team.

Henrich's second and third lumbar vertebrae processes were fractured in the mishap, and his back was placed in a cast. Patients with this type of spinal injury are usually kept in a cast for six weeks—and six weeks from now the World Series will just about be over.

Mize Is Ace In Hole

The injury to Henrich made the recent purchase by the Yankees of big John Mize from the Giants seem all the more foresighted. Mize injured his shoulder yesterday but should be ready to play in a day or two.

Rarely has a ball club been as hard hit by injuries as the Yankees this season. Joe DiMaggio, the king pin of the Yankee offense, has been out of action most of the year with a spur on his heel. Yogi Berra, hard-hitting catcher, is still out with an injured thumb.

Henrich himself has had one accident after another this season, the last being the worst. First he hurt his right knee crashing into the Yankee Stadium stands, then fell over a bat rack in Washington and bruised his stomach and ribs. Later he fractured a toe, and then hurt his left knee.

Yanks Are Not Discouraged

But shortstop Phil Rizzuto and

By Bob Merris

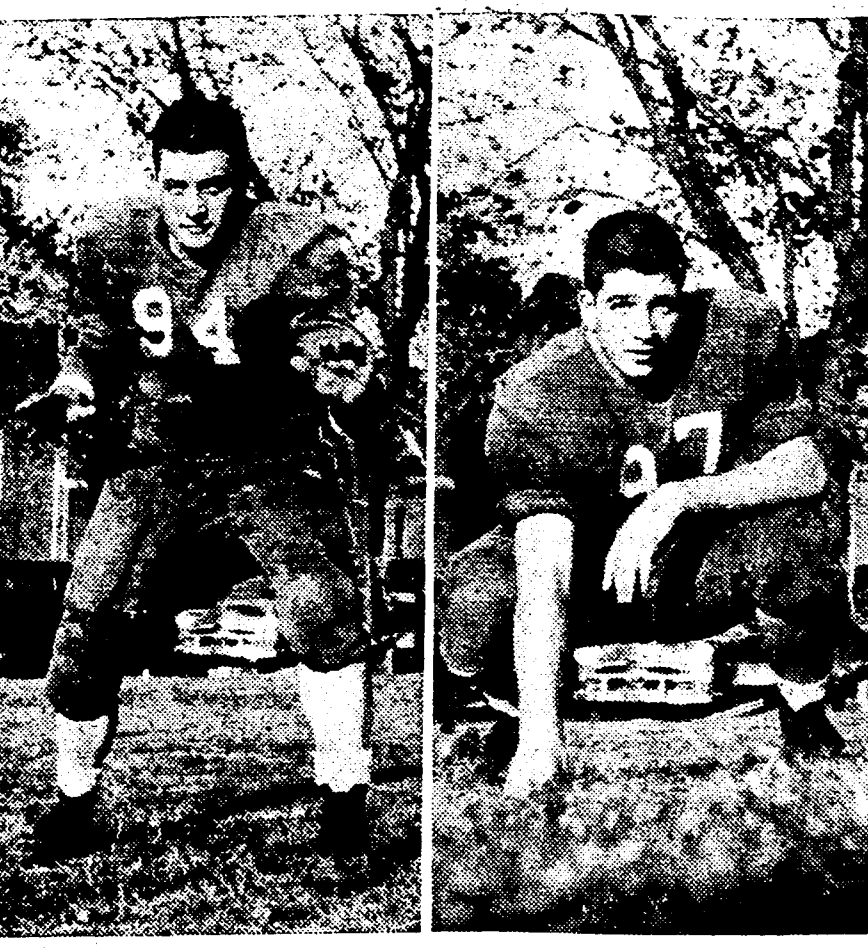

We're back in the harness again after a two-week lay-off, and it appears that we're hitched to a rather heavy load. Just plop the four local football squads on a scale and you'll see what we mean.

Yep, we've jumped right smack dab into the middle of preparatory practices for the 1949 Jacksonville grid season. And, if we're not going to lag behind the red-hot pace-setting coaches, we're gonna have to put on our running shoes.

Bob Kraushaar at Jacksonville high was the first to tire of the summer inactivity. He outdistanced his team in full grid regalia and held initial practice sessions last Thursday. Of course we weren't here to give Bob the proper send off at the dock, but we've tried to make up for it in this edition. He has a fine looking bunch of prospects, but very few tried and proven huskies. We'll depend on his ability as a coach to weld the greenies into a unified, fighting machine.

Jacksonville high school has a valuable addition to the undermanned and overworked coaching staff in the person of one, John Chapman. Coach Chapman, from Indiana the land of tall corn and taller basketball players, indicated that he's no rookie on the turf when assigned to the line coaching job Monday afternoon. The wiry mentor, who looks as if he could still play a mean game at half-back himself, promptly took the varsity forward wall in hand and started "showing 'em how."

## DOUBLE TROUBLE

Jim

Jacksonville grid fans who have watched twin brothers Jim and Sam Spink rise to football legendry on the J. H. S. and Illinois College gridlions will view the troublesome twins in their final season of scholastic competition at IC this fall.

The usually mild-mannered ex-navy vets are tagged "troublesome" only because of their rough and ready tactics on the football field where they have wrecked plenty of havoc on opposing high school and college linemen for the past eight years.

Sam

The 200-pound tackle will form the nucleus of Blueboy coach Al Miller's forward wall which open practice sessions the first of September.

## Redbird Sluggers Are Making Bid For NL Batting Crown

New York, Aug. 29.—(P)—Jackie Robinson's batting average has slumped for the second week in a row. A pair of hickory helters from St. Louis are creeping up behind him and still may make a battle of it for the National league batting championship.

Counting games through Sunday, Brooklyn's Jackie led only seven safeties in a week and lost nine points off his batting average, which dropped to .349. In two weeks he's slipped 15 points.

Jackie's slump is blamed on a sore left leg, injured three weeks ago when he stole home against the Phillies. He still hasn't missed a game all year but since he hurt his leg both he and the Dodgers have been doing poorly.

Enos (Country) Slaughter of the Cardinals cracked out 13 hits during the week, boosting his second place average from .325 to .328. Right behind him came Stan Musial—last year's batting champion with .321. Stan got 14 hits last week and showed Ralph Kiner of the Pittsburgh Pirates into fourth place. Kiner slipped five points to .311.

Kiner Top Power Hitter

The husky Kiner still leads the league in homers, however, with 37, including three he blasted last week. Despite his current slump, Robinson batted in five runs to hold the lead in that department at 103 and his name still dominates the league figures.

For instance, Jackie also is first in hits with 169, first in doubles with 33, first in stolen bases with 29 and he's tied with Musial for the lead in triples with ten.

The Brooklyn second baseman was surpassed by teammate Pee Wee Reese, however, in runs scored. Reese has 106 runs to Jackie's 98.

The top ten, after fourth place Kiner, included Willard Marshall, Giants, 307; Eddie Kazak, Cardinals, 302; Whitely Lockman, Giants, 301; Bobby Thomson, Giants, 300; Red Schoendienst, Cardinals, 299, and Sid Gordon, Giants, 297.

Ted Wilks of the Cardinals paces the pitchers with a .786 percentage. He has won 11 games and lost only three. Preacher Roe of Brooklyn is second with 11-4.

Warren Spahn of the Braves still led the league in strikeouts with 113, but the Dodgers' negro rookie, Don Newcombe, fanned a dozen batsmen within the week and boosted his total to 111.

## Bob Kraushaar Greeted Eight Returning Vets; New Coach Joins Staff

It's first down and a rough eight-game football schedule to go for Bob Kraushaar and his Jacksonville high school gridmen who swung into their initial practice sessions last Thursday afternoon.

Coach Kraushaar, however, faces this season with additional support, both moral and physical, in the person of assistant John Chapman, newly hired to sub-coach in football and man the helm when basketball takes the spotlight.

Chapman joined the squad during Monday afternoon's practice session and was immediately put in charge of the Crimson linemen. Kraushaar will handle the backfield men while Wimberly and Farrell Patterson are tutoring the younger freshman and sophomore grid aspirants.

Two Lettermen Join Workouts

Two more welcome additions were issued equipment Monday. Harvey Myers, who just wound up a two-week National Guard training cycle at Camp McCoy, Wisconsin, and Charles McGath, who has been working, checked in and were put through the paces. Both boys, who are juniors, lettered at end last year.

The Jacksonville high school football schedule is well-padded with home games. Of the eight exhibitions that the Crimson toughies will stage, five will be played under the lights on the Northside field. The schedule—Sept. 16, Pittsfield here; Sept. 23, at Winchester; Sept. 30, at Quincy; Oct. 7, Beardsdown here; Oct. 14, at Rushville; Oct. 21, Feltshams here; Oct. 28, Clinton here; Nov. 4, Havana, here.

Kraushaar, in his sixth year as head coach at J.H.S., surveyed a crop of 45 football hopefuls clicking through their drills and was able to name eight letter winners of last year who are returning for another

crack at prep competition. Besides ends Myers and McGath, the squad is stocked with lettermen: Jack Chapman, end; Ruel Becker, tackle; Richard Gotchall, tackle; John Walker, fullback; Ronny Campbell, back and Bruce Samore, back. Don Smith, a letter-winner two seasons ago, has returned to the fold after missing last season because of injuries suffered in pre-schedule practice.

Kraushaar and his staff expect approximately 30 more athletes to report for practice when school starts this Friday. As the Crimson mentor pointed out, much of the football manpower comes from the country and the boys are unable to report until actual classroom work gets underway.

Many Youngsters Report

The Crimson football prospect, look particularly good for the future material. That is, of the approximate 70 athletes that will wear the colors and pads of J.H.S. this fall, only four are seniors. Of course those four boys, McGath, Gotchall, Myers and Smith, are all key men and will see more than their share of action in the coming months. But, as Kraushaar stressed the bulk of his material is lodged in the lower sophomore and junior classes and that speaks well for future elevens.

It's too early to tell much about the freshman candidates," Bob commented, "but two of the youngsters, Don Reynolds and Jim Beck, (both David Prince graduates), have been tabbed as bright prospects."

Sophomores who saw little action as freshmen last year, but who have gained weight over the summer and reported in top condition include, John Walker, a guard and no relation to fullback Johnny Walker, Jerry Omundson, Earl Cole, Jerry Cruise, Bill Williams, Bill Sabatini, Maylon Baldwin, Jan Sommer and Jess Meado.

Has A Lettered Backfield

From the standpoint of last year's performance, the Crimson backfield will be composed mainly of another crop of younger boys. Both Johnny Walker and Ronny Campbell, who comprise the pitching department, are sophomores. Bruce Samore, who earned an emblem as a stand-in for Stan Spots last year and is a hard runner in his own right, is a junior. Don Smith, the other lettered back, is one of the seniors.

Practice periods have been getting underway at 2:30 p.m. One double practice at 10 a.m. and 3 p.m. was conducted Friday. Kraushaar has the gridmen working at light contact work the first part of this week. He will start late-tackling drills the end of the week and begin scrimmaging the forepart of next week.

## Rain And Spills Confuse Situation At Amateur Meet

Rochester N. Y., Aug. 29.—(P)—A Chicago trucking executive, two 21-year-old youths and a lashing rain threw the 49th annual National Amateur Golf Championship into confusion today.

Because of the weather conditions, 18 first round matches were not completed when darkness hit. They will be finished tomorrow morning.

The trucker who helped the confusion is Harold Foreman who got into the tournament only last Friday as a substitute for Gus Moreland of Peoria, Ill. Moreland suffered a broken collar bone and had to withdraw.

Foreman responded today by spilling Ernest Millward of the British Walker Cup team, 4 and 2.

The two youngsters are George F. Bingham of Kansas City, who conquered James Brien of Ireland, 1946 British Amateur champion, 2 and 1; and H. Maegregor Hunter of Pacific Palisades, Calif. Hunter knocked off another Briton, Gerald Mickles, 5 and 3.

After 13 holes of play, John Kraft of Denver, held a 4 up edge over Ted Bishop of Islington, Mass., 1946 champion and one of the favorites in this tourney.

## Ted Williams Is Sure Favorite In AL Batting Race

Chicago, Aug. 29.—(P)—Thumpin' Ted Williams of Boston today was a sure favorite to take the 1949 American league batting title.

If Williams continues his pace-setting form, it will be the third straight time he will have won the batting championship and the fifth since 1941.

The Red Sox slugger, now in front for four weeks in a row, had a sizzling .350 average according to official figures computed through last Sunday's games. That was 20 points ahead of runner-up George Kell of Detroit, who had a .339.

Williams had a comfortable 11-point advantage the previous week, but last week he climbed three points while Kell dropped six.

Dom DiMaggio jumped into a third place tie with Bob Dillinger of St. Louis after a seven-point rise to .328.

Other leaders: Dale Mitchell, Cleveland, .316; Cass Michaels, Chicago, .307; Roy Sievers, St. Louis, .307; Johnny Pesky, Boston, .306; Don Kolloway, Detroit, .305, and Vern Stephens, Boston, .302.

In the specialized departments, Williams was a double leader, runs with 127 and hits with 165.

Stephens and Williams shared home run honors, each with 34, and Stephens led in runs-batted-in with 139.

Kell and Williams had the most two-baggers, 35, while Mitchell led in triples with 19, and Dillinger continued the top base-stealer with 14 thefts.

Best pitcher in every way was Mel Parnell of Everton. He headed the field on a percentage basis with 20-6 for .769, pitched the most complete games, 22, and racked up the most victories, 20.

Virgil Trucks of Detroit stayed ahead as the strikeout leader with 129.

## Browns Overcome Washington 2 To 1

St. Louis, Aug. 29.—(P)—Dick Koks singled with the bases loaded in the ninth inning tonight to drive in the run which gave Cliff Fanning and the St. Louis Browns a 2 to 1 decision over Mickey Harris and the Washington Senators.

Koks also doubled Jack Graham home from first for the Browns' first score in the seventh inning. They held that slender lead until Eddie Robinson tied things up with his 15th home run in the ninth.

With one out in the bottom of the ninth Roy Sievers and Sherm Lollar singled and each took an extra base when Gil Coan threw wild to third. Graham was purposely passed to load the bases and then Koks came through with a blow to center.

## News Carrier Rides Bike To Victory, College Education

Columbus, Ohio, Aug. 29.—(P)—A 14-year-old Denver, Colo., preacher's son won himself a college education and the championship of the first national newspaper boys' bike derby today.

John E. Kuehnert, a six-foot lad with tousled hair and a shy grin, pumped his bicycle over a half-mile asphalt course in 1:15 2/5 to top a field of six finalists.

He received a \$2,500 college scholarship and a trophy as first prize. Kuehnert represented the Rocky Mountain News of Denver.

Second place and a \$2,000 scholarship went to a 15-year-old Bob Swearingen of Marion, Ohio, a Columbus Dispatch entry.

Third place and a \$1,500 scholarship was won by Donald Stalter, 14-year-old Detroit boy representing the Detroit News.

## Organized Ball Asks Mex Jumpers To Stop Lawsuit

New York, Aug. 29.—(P)—A formal stipulation asking for the discontinuance of the civil anti-trust brought by Max Lanier and Fred Martin, St. Louis Cardinals pitchers, against organized baseball was filed today in Federal Court.

A representative of Mark Hughes, attorney for organized baseball, filed the action.

The formal action followed last Saturday's announcement by Cardinal owner Fred Saigh that the two pitchers had agreed to withdraw their suit.

Martin and Lanier sued for a total of \$250,000 as Treble damages under the anti-trust law.

## English Cyclist Sets Sights On Speed Record

Bonneville Salt Flats, Utah, Aug. 29.—(P)—Noel Pope hopes to ride a motorcycle faster than one has ever been driven before. Within the next week he will make an attempt across these dazzling salt flats to reach a speed of 200 miles an hour.

The wiry, 39-year-old cyclist from Surbiton, Surrey, England, is full of enthusiasm for the chances of his British-built cycle. He says he is certain he can break the world's record of 174 miles per hour. And he is almost equally confident that he can add at least another 26 miles per hour to that figure.

His confidence stems, he says, from two things—a stream-lined shell which will encase him and his cycle on the speed run, and the glistering smooth surface of these immense salt beds.

Pope's special egg-shaped shell is made of steel and aluminum alloy. It completely surrounds him and his cycle. He enters it through a hatch-like door, similar to that on an airplane cockpit, locking it from the inside.

## Upsets Mark First Day Of National Tennis Matches

New York, Aug. 29.—(P)—Eddie Maylan of Trenton, N. J., enlivened a windy first day of the national tennis championships at Forest Hills today by erasing young Herbie Flam of Beverly Hills, Calif., the eighth seeded American player and semifinalist in last year's title event.

Maylan knocked out the former junior champion in straight sets, 6-4, 6-3, 6-3, to supply the day's only real upset in either the men's or women's division.

Jim Brink, rangy Seattle left-hander, took another chunk out of the seeded group by defeating blond Victor Seixas of Philadelphia, 3-6, 6-6, 6-3, 7-5, 6-4, in a match that went into the dusk.

In the only other result resembling an upset, Tony Trabert, a rising young star from Cincinnati, eliminated George Worthington of Australia, ninth seeded foreign entry, 6-2, 6-2, 8-6.

## Detroit Beats Athletics 4 To 3

Detroit, Aug. 29.—(P)—The Detroit Tigers won their eighth game in a row tonight by defeating Philadelphia 4 to 3 in a ten inning contest. Pat Mullin singled the winning run home.

Hal White, recalled by the Tigers recently from Toledo, relieved Virgil Trucks in the eighth and was credited with the victory.

The Athletics took the lead in the eighth when Eddie Joost, who walked, scored on Ferris Fahn's double and Pete Suder singled to score Fahn. White then went in for Trucks and put out the fire when he threw out Fermin Guerra at first.

## Cardinals Whip Braves 8 To 2

Boston, Aug. 29.—(P)—Taking full advantage of every opportunity the St. Louis Cardinals scored seven times in the seventh inning tonight in trouncing the Boston Braves 8-2.

Ron Northey clubbed a four run homer for the National League leaders in their big inning. A crowd of 15,935 paid fans saw the Braves lose their third in succession to the flying Redbirds.

Lefty Al Brazle went all the way for his 14th victory of the season, equalling his best previous major league high. He won as many games in 1947.

It was his fourth of the year over the Braves who have yet to beat him.

The Braves scored both their runs in the opening inning to overtake the Cards who had scored once in their first time at bat.

Boston right hander Bill Voiselle was going along in good style until the seventh having limited the dangerous Cardinals to three hits over the first six sessions.

## Dodgers Defeat Pittsburgh 5-1

Brooklyn, Aug. 29.—(P)—Duke Snider's tie-breaking single and homers by Pee Wee Reese and Jackie Robinson helped Brooklyn down Pittsburgh tonight, 5-1, and remain two and a half games behind the league-leading St. Louis Cards.

Lanky Jack Banta, going the route for the first time in his major league career set down the Pirates with six hits to register his seventh win at the expense of Cliff Chambers.

Banta and Chambers were engaged in a tight duel with the scored at 1-1 as the Dodgers came to bat in the seventh. A walk to Roy Campanella, Gil Hodges' sacrifice and Snider's long single broke the tie.

The Dodgers added three more in the eighth off reliever Harry Gumbert.

## Indians Take Two From Sox 5-2, 5-4

Cleveland, Aug. 29.—(P)—The Indians swept a doubleheader from the pennant-anxious Boston Red Sox tonight, 5 to 2 and 5 to 4. They won the second game in the 10th inning when Catcher Mike Tresh knocked in his first run of the year.

That gave the three-game series to the Indians and plunged the Red Sox to four games behind the league leading New York Yankees. Cleveland pulled within 13 games of Boston.

The 33,159 paid fans and 7,002 non-paying children had little hope that the Tribe would finish off the second contest in front. Ted Williams put the Red Sox ahead, 4 to 2, in the seventh inning with his 35th home run that scored Dom DiMaggio ahead of him.

## Phillies Edge Chicago Cubs 6-5

Philadelphia, Aug. 29.—(P)—Eightyinning homers by Stan Lopata and Andy Seminick drove across three runs and gave the Philadelphia Phillies a 6-5 victory over the Chicago Cubs here tonight.

The Cubs took the lead in the opening frame, scoring an unearned run when Gran Hamner dropped Hank Sauer's fly as he collided with Richie Ashburn.

Singles by Herman Reich, Mickey Owen, Phil Cavarretta and a walk gave the Cubs two more in the second.

The Phils were unable to break through Dutch Leonard until the fifth when Mike Goltz drove Bill Nicholson home with a single. But the Cubs came right back to score on a hit batsman, a sacrifice and Wayne Terwilliger's single.

## N.Y. Giants Beat Cincinnati 3 To 2

New York, Aug. 29.—(P)—Larry Jansen posted his 15th triumph of the season tonight as he pitched the New York Giants to a 3-2 triumph over Ken Raffensberger and the Cincinnati Reds. Rookie Hank Thompson's seventh inning homer gave Jansen his margin of victory.

Jansen hung up his fifth straight over the Reds as the smallest night game crowd of the season, 7,804, looked on.

Thompson led the 11-hit Giant attack with his 6th homer, a double and a single.

## Chicago Livestock Market Report

Chicago, Aug. 29.—(P)—Livestock was mixed today. Hogs went to the scales at strong to 50 cents higher levels than Friday. Cattle were steady to 50 cents lower.

Top price on hogs was \$21.60 with most good and choice offerings from 170 to 260 pounds bought at \$19.50 to \$21.50. Lighter weights ranged downward to \$17.50 and heavier kinds downward to \$18 but these groupings were scarce. Sows took \$14.50 to \$18.50 mainly and a top of \$19. The day's supplies were cleared early.

A load of choice to prime steers reached \$29.75, most paid here since mid-April, and several loads were within the narrow \$29.35 to \$29.55 scope. Most high-good to choice steers took \$27.75 to \$29.25. Good to low-choice heifers made \$25.50 to \$27.25, while good cows topped at \$19, low-good sausage bulls at \$20.50, and choice vealers at \$27.

Native lambs found an extreme top at \$24, yearlings wethers hit \$21.50, and ewes at \$8.50.

Estimated receipts over night for sale in the open market were 9,000 hogs, 15,000 cattle, 500 calves, and 1,000 sheep.

## Illinois Vaulters Captures First In International Meet

Goteborg, Sweden.—(P)—United States Athletics won five events tonight in an international track and field meet, sparked by Fortune Gordien of the San Francisco Olympic club.

Gordien was victorious twice. He won the discus throw with an excellent heave of 183 feet, 10 1/2 inches and took the shot put with a toss of 52 feet, 4 inches.

Bob Richards of the Illinois A.C. captured the pole vault, clearing 13 feet, 11 inches.

Andrew Stanfield of Seton Hall and Craig Dixon of the University of California at Los Angeles showed the way home as named in the 100 meter dash, clocked in 10.5 and 10.7 seconds, respectively.

The 400 meter hurdles went to Dick Ault of Missouri, who was timed in 52.1.

In the 1,000 meters run won by P. Aberg of Sweden in two minutes, 22.9 seconds, Warren Dretzler of Michigan State was second in 2:24.4.

## Suspends License Of Driving Range

Warwick, R.I., Aug. 29.—(P)—Police suspended the driving license of Maurice A. Szarko today.

The customers at his golf driving range hooked into left field so consistently that a bucketful of balls was picked up in a yard across the street, police said.

Labeling such driving a "public hazard," Chief Forrest R. Sprague lifted Szarko's license until he builds a better fence or heads his hooking customers in another direction.

## S. T. Erixon, Realtor, Killed Yesterday When Locomotive Hits Auto

S. T. Erixon, 904 West Lafayette avenue, 80 year old Jacksonville real estate dealer, was instantly killed about 1 p. m. Monday when the automobile in which he was riding was hit by a Wabash freight engine on the Webster avenue crossing. The locomotive struck the 1934 Buick squarely and carried it along the track to a point west of Finley avenue, about 945 feet.

According to E. E. McNamara, engineer of Extra No. 2734 westbound, he first learned that he had struck the car when his fireman, L. H. Griffin called to him that he "had hit something."

## Hillview Baptist Church Hosts At Annual Meeting

White Hall—The Sandy Creek Baptist association concluded a very successful meeting at the Hillview Baptist church last Thursday, having held a three day session. Ladies of the Hillview church served two meals daily to the out of town guests, between five and six hundred enrollment for the three days.

Thirty-eight of the 44 churches in the association sent in reports showing a total baptisms of 212 during the past year. This was the first time the Hillview church has been host to this group for 18 years.

Association speakers included Elders Leo Anderson, Lennie Moore, Woodrow Cain, Kenneth Day and Harley Ford. Speakers not members of the association were Elders Ollie Shield of St. Louis and Bill Beene of Medora, Ill.

Rev. Lloyd Spencer has been called as associational missionary. Rev. John Alexander, one of the oldest members in the association, was unable to attend due to the serious illness of his wife and a purse of over \$100 was sent to him as a gift of the association. Over one hundred dollars was raised to be sent to the Baptist Children's Home at Carmi, Ill.

## Emergency Polio Fund Campaign To Be Conducted

An emergency meeting of the Morgan County chapter of the National Foundation for Infantile Paralysis was held Monday evening for the purpose of mapping plans to conduct a polio epidemic emergency drive.

John Agger, chairman of the local chapter, reported that for the second time in two years, polio has struck the nation with unusual violence. More severe in 1948 than any year since 1916, the current epidemic toll appears to have exceeded every previous record.

He stated that communities throughout the nation have exhausted local funds in caring for stricken children and adults, and are expected to call upon the Epidemic Aid Fund at National Headquarters for additional millions of dollars. Already this fund has reached the danger point, and the bills are only beginning to come in.

Mr. Agger further reported the Morgan county has had ten cases of polio this year, and that the local chapter will probably have to request an emergency appropriation from the foundation.

The chapter decided to call upon local civic and labor organizations to assist in an emergency drive. Exact dates of the drive have not been set, but all local chapters have been alerted and asked to formulate plans for the coming campaign.

## Mildred Adams Of Franklin Wed At Carlinville

Miss Mildred Adams, daughter of the late Lee Adams and Mrs. Mary Adams of Franklin, became the bride of Ray Albert Myers of Fort Madison, Iowa, in a pretty ceremony held Sunday morning at the Methodist church in Carlinville. Rev. Charles W. Sedgwick received the marriage vows.

The bride wore a brown silk crepe gown and carried white asters. Her attendant, Miss Stella Mitchell of Waverly, was dressed in blue silk crepe and wore a corsage of lilies. Best man was Littleton Adams, also of Waverly.

Mr. Myers, adopted son of Benjamin P. Myers of Kansas City, Kan., attended Valparaiso University in Indiana and taught school for four years in Iowa.

Following the ceremony, a dinner was given in honor of the couple at the home of the bride's mother. Upon their return from a trip through the west, they will reside in Franklin.

## ART EXHIBIT CAPTURES PRIZES AT STATE FAIR

Elementary students in Community Unit District No. 27, Chapin-Corcoran-Arenzville, won seven cash awards for their art exhibits shown at the state fair. Prizes were received for the language arts, social studies, mathematics, science, fine and applied arts, and for health, physical education, and safety displays.

Mrs. Nellie Peak, art supervisor, arranged the large exhibit which was taken from the students' work of last spring. Last year was the first year for a regular art program in the schools, which fact makes these results all the more outstanding.

The money won in prizes will be used by the art department in its work this year.

## New System Will Be Used When Off-Shift Firemen Are Notified

Fire department service calls will be placed by the police department desk sergeants instead of by Illinois Telephone Company operators after Sept. 1 under a new arrangement announced during the council meeting last night.

The change in the system of notifying off-shift firemen of alarms will be made as the result of a request from the telephone company, according to Mayor Hoagland and Chief Loneragan. The mayor and chief said the phone company sought a different arrangement because of overloading of switchboards at the time of fires.

Chief Loneragan informed the council of the proposed change in calls, which are made to all members of the fire department each time an alarm is turned in. He said his department is interested in notifying all off-shift firemen and mechanics promptly, so that they may report for duty.

"This service has been handled by the telephone company ever since there was a telephone company, as far as I know," Loneragan said. "They tell me now that after the first of September we'll have to make other arrangements."

**Faster Service Promised**  
Mayor Hoagland said that he has discussed the situation with telephone company officials, who said that service calls tie up the switchboards. The phone company proposed that the calls be placed by someone at the city hall, with a supervisor who will be assigned to handle them on a switchboard separate from those used for other traffic.

Councilmen reached a decision to try out the new arrangement with police desk sergeants calling the lists at the time of each fire alarm. "We'll try it out and see how it works," the mayor commented. About 16 separate phone calls are made each time the fire department goes out.

**Ordinance Drafted**  
An ordinance establishing the office of managing superintendent of the light and water departments, and setting up his duties, was given first reading by City Attorney Fay after a motion by Alderman Kelly, seconded by Alderman Haneline. The council recently voted to engage the services of George Coleway as managing superintendent of the departments. The ordinance was laid over until the next meeting for second reading.

On motion of Alderman Chumley, seconded by Alderman Brune, an ordinance amending the ordinance levying taxes for general corporate purposes was read for the first time. The ordinance set forth that the city levied \$55,470 for street and bridge purposes, but under the law was entitled to levy \$61,470 for those purposes, providing an additional \$6,000.

An emergency clause was authorized on motion of Alderman Reid, seconded by Alderman Haneline, after which the ordinance was adopted on motions by Alderman Kelly and Chumley.

**To Inspect Roof**  
Alderman Woods brought up the question of whether the roof of the city hall should be repainted this fall. Mayor Hoagland suggested that the council have the roof inspected, after which a final decision will be made.

A resolution transferring \$2,000 from the parking meter fund to the general fund was voted on motion of Alderman Haneline, seconded by Alderman Reid.

Alderman Kelly reported that the street department is busy with street oiling.

The council discussed the request of Jacksonville High school officials for permission to lay a two inch water main on Finley street near Elm street, where it has purchased lots for the erection of houses by the building trades class. The request was granted in a motion made by Alderman Baker, seconded by Alderman Kelly.

**To Close Road Sunday**  
A request of the Jacksonville Boat club for permission to close Victory Drive on the north side of Lake races next Sunday was brought to the council by Alderman Kelly. Spectator space will be provided on the boat club property on the south side of the lake. A motion to close Victory Drive during the hours of the races was approved on vote of the council.

The delivery of a 16 foot boat to the lake custodian was reported by Alderman Kelly. The craft is equipped with a motor, and is used in patrolling the lake.

Mayor Hoagland said the council will not meet next Monday night because of the Labor Day holiday, but will convene Tuesday as a road district to transact business.
